Mr. J. Patrick Coyne, Executive Secretary
President's Foreign Intelligence Advisory Board
297 Executive Office Building
Washington 25, D.C.

Dear Pat:

Just before Mr. McCone left the city, he wrote two letters to Dr. Killian, both dated 28 May. One concerns a sensitive billets problem, the other is more general, looking forward to the next meeting of the Board.

As you will note in the last paragraph of the latter message, Mr. McCone said that he was transmitting several communications of interest to the intelligence community.

These are enclosed and are as follows:

1. A proposal by endorsed by Mr.

2. A letter from the Director to General Carroll;

3. A copy of the billet survey which is covered in the other letter.

Sincerely,

61

Dear Jim:

In your letter of May 14th, you informed me that the next regular meeting of the Board is scheduled for Monday and Tuesday, June 25th and 26th. I look forward to meeting with you and will keep my time open during those days so as to be available at your convenience.

I am leaving in the morning for the West Coast to attend to some personal matters and then will proceed on an inspection trip into the Far East. I plan to meet with a number of Chiefs of Station [redacted] returning by way of Honolulu to meet with Admiral Felt. I should be in Washington on June 17th or shortly thereafter.

Your letter expressed the hope that we could get together even before the next Board meeting. This I would enjoy very much and suggest we make arrangements immediately upon my return. I would be glad to come up to Boston or could meet you here or in New York, at your convenience.

Under separate cover, I am transmitting to you, through Mr. Coyne, several communications on several matters concerning the Intelligence Community as contrasted to the CIA. I am sure you will find these of interest.

With best personal regards.

Sincerely,

JAM:ji
